

CERTIFICATE

This is to certify that

Kennedy Valve

1021 East Water Street
Elmira, NY 14901
United States of America

has implemented and maintains an
Occupational Health and Safety Management System.

Scope:

The occupational health and safety activities and supporting processes associated with the manufacture of gray and ductile iron castings for use in fire hydrant components, fire hydrants, indicator posts and check, gate and butterfly valves.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ISO 45001 : 2018

Certificate registration no. 10010925 OHS18
Date of original certification 2016-01-13
(BS OHSAS 18001 : 2007)
Date of revision 2021-06-16
Date of certification 2020-11-20
Valid until 2023-11-19
