

CERTIFICATE

This is to certify that

Kennedy Valve

1021 East Water Street
Elmira, NY 14901
United States of America

has implemented and maintains an **Occupational Health and Safety Management System**.

Scope:

The occupational health and safety activities and supporting processes associated with the manufacture of gray and ductile iron castings for use in fire hydrant components, fire hydrants, indicator posts and check, gate and butterfly valves.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ISO 45001 : 2018
